Report of Independent Certified Public Accountants

To the Member of
Atlantic American Capital Advisors, LLC:

In our opinion, the accompanying statement of financial condition and the related statements of operations, of member's equity and of cash flows present fairly, in all material respects, the financial position of Atlantic American Capital Advisors, LLC at December 31, 2001, and the results of its operations and its cash flows for the period from inception (January 25, 2001) through December 31, 2001 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Company's management; our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in Note 1, the Company incurred a net loss of \$218,967 for the period from inception (January 25, 2001) through December 31, 2001. The Company's plans for providing liquidity during 2002 are also set forth in Note 1.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.
